Текст обявления:

Please consider a new offer for an apartment in the center of Burgas in a new residential complex Chantrer Residence. It is as big as 73 sq. m and has a location you can only dream of. It is close to the Sea Garden and a beach, as well as to the downtown.

The apartment can boast of a panoramic view of the sea and the mountains.

The advantages of this offer are a good infrastructure and ecology of the neighborhood, new construction of a high quality and a wonderful layout.

The apartment is directed to the south, which is very important for cold seasons - it always will be warm and light in your flat. The fourth floor. The construction process approaches an end; Act 14 is already received.

This proposal is a very good investment, do not miss it!
