We would like to offer you a studio apartment near the sea in the living complex Rainbow 3, Sunny Beach.

The beautiful apartment hotel Rainbow 3 is a perfect place for a vacation on the Bulgarian Black Sea coast. The complex is located in a quiet part of the Sunny Beach resort, 300 m away from the wide and beautiful Cacao Beach.

The complex infrastructure includes the following services and entertainment: a large outdoor swimming pool, comfortable sofas with canopies installed outside, a patio, a swimming pool for kids, a pool bar, a gym, sunbeds with parasols, 24-hour security and video surveillance, and a health recovery center.

All Rainbow apartment hotels are known for perfect services.

The 37 sq. m studio apartment with the windows facing the internal yard is located on the 6th floor. The balcony unveils views of the swimming pool.

The studio apartment is designed in one style and has an interesting solution: the bedroom and the kitchen are separated, and you can get to the spacious balcony from a tiny kitchen. Only high-quality materials are used for renovation. The apartment is fully furnished. In the bathroom, there is a shower cabin.

This property is good for year-round living and for rental.
