Текст объявления:

Look at our new proposal for a spacious and warm apartment in a gated community in the town of Nessebar. The complex is in a quiet and cozy place 250 m from the sea. It is permanently secured. There is parking, three pools and a café. Only three kilometers separate the apartment from the central part of the town. The distance to the airport is 20 km.

The studio apartment is as large as 53 m². It is on the first floor and unveils views of the pool. Entering the flat, you will find yourself in a small corridor from where you will go to a living room with visually separated areas for dining, cooking and relaxing. The bathroom is convenient and equipped with a shower.

The apartment will be a good choice for those who plan living in Bulgaria on a permanent basis or get an income from renting the property out.
