Apart Estate offers a spacious comfortable studio located in the famous historical town of Nessebar, Bulgaria. Nessebar is situated 37 km from the international airport of Burgas right on the Black sea coast. Long beautiful beaches are well-known with crystal clean water, comfortable beaches and golden sand. The season starts from May and lasts till September.

Our agency is glad to propose a studio apartment in Nessebar located on the 3rd floor of the beautiful and well-situated aparthotel Vigo beach. Everything here is ready for living. In the stylish studio, you will find a cozy kitchen, wardrobe, two beds, and a shower cabin.

Residents and visitors of Vigo Beach can use free parking. For their services, there are restaurants of French and Italian cuisine, and a pizza complex. An indoor heated pool, sauna, and a pool bar make Vigo Beach a nice place for vacations. The complex is distinguished with sophistication, coziness, and perfect year-round service.

As Vigo Beach is situated in New Nessebar, it is surrounded by great infrastructure. A bus stop, school and shops a few steps away from an aparthotel. You can buy property here not just for vacations, but also for moving to Nessebar for permanent residence and year-round living.

The great advantage of this apartment is that it is just 50 m away from the beach. Real estate in Nessebar is a great rental option. Thus, apartments in Vigo Beach are easy to sell and have a high investment potential for its owner.

The studio apartment is suitable for investments or living.
