We offer you to buy a nice, very comfortable apartment in the ski resort of Bansko. In the huge living room there are several separate areas: a large kitchen, dining room, rest area by the fireplace, a

comfortable sofa so big that it will be enough for the whole family. The panoramic balcony unveils nice views of Pirin Mountain. Two bedrooms also have views of the mountains and south-facing location, which makes the apartment warm, with the sun looking through the window throughout the day. It will be convenient for a large family as there are two bathrooms. A washing machine can be installed in a special utility room. Families from different countries live permanently in the complex. Private parking is available. A beautiful landscaped area next to the building in the summer is all covered with beautiful flowers.
