We are glad to offer you a one-bedroom apartment in the Mastro complex in the famous Bulgarian seaside town of Nessebar.

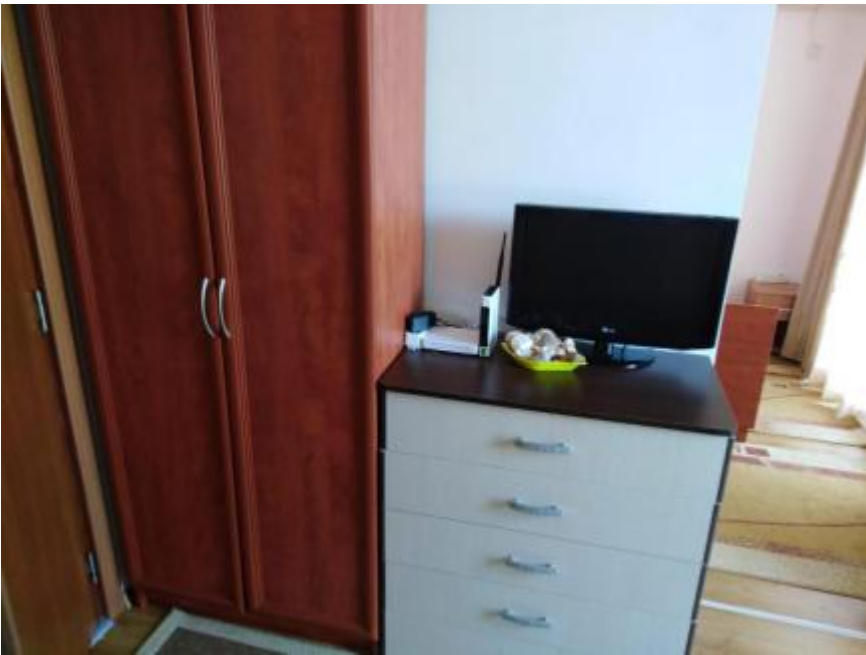

Property is located in a quiet district of Nessebar, near the sea. The closed community has a pool for adults with a section for kids, parking, and BBQ. The living building with a year-round security **has Act 16. The sea is 400 m away.**

The 45 sq. m. one-bedroom apartment is very good for pensioners and families with children as it is situated on the first floor. The property overlooks the pool; the residents can go out from the apartment to a terrace. In the flat, all the furniture and housing appliances are available. The kitchen is combined with a relaxation and dining areas. In the bedroom, there is a double bed and an additional armchair which can become a bed. Storage places are available.

The complex Mastro is located in a new comfortable district of Nessebar - Aurelia, near the beach Sunken Ship. The infrastructure here is good and suitable for living and leisure: shops, cafes, pharmacies, restaurants, and a bus stop.

The Old Town is several minutes of drive.
