The Magic Dreams complex is the largest complex in Dreamville, an area in Sveti Vlas, built-up by a renowned developer. An excellent location, 250 m away from the sea and the golden sand beach, proximity to a large supermarket Mercury, allows you to enjoy every moment of life on the coast. A bus stop is located nearby. A regular bus service connects St. Vlas with Elenite, Sunny Beach, Nessebar, and Burgas.

The complex consists of 3 cozy low-rise living buildings with a wonderful green area around them. The layout and good support create an atmosphere of coziness and comfort. Property owners and their guests can enjoy two swimming pools with children's areas, two bars, SPA-center, a restaurant, a shop, and a laundry. Kids can enjoy a children's animation.

In the complex, there is 24-hour security and a large guarded parking lot.

Magic Dreams is located on a hill, so almost every apartment for sale has sea views.

Each apartment is offered with a furnished bathroom and a mounted boiler. Modern windows and air conditioners with summer/ winter modes create comfortable conditions for permanent living and summer holidays. The floor is installed in every apartment. Internet, TV, and telephone cables are conducted.

We are happy to offer 5 new one-bedroom apartments from a developer for sale. All have different areas and layout. The property prices start from Euro 43,000.
