Текст объявления:

It is an honor for the Apart Estate agency to propose a one-bedroom apartment in the Odyssey closed community which is known for its terrific location in Nessebar, Bulgaria, 250 m from a gorgeous sandy beach.

Odyssey is an elegant, comfortable complex of apartments in Aurelia - a neighborhood between a new part of Nessebar and the Ravda resort.

Living buildings have a nice outside design in a marine style. Facades are painted in white and blue, this nice combination of colors creates a feeling of lightness and freshness. We also would like to pay your attention to the high quality of construction materials and work.

The territory around is very well-cared for. In the residential complex and around it, you will find services and facilities without which it is difficult to imagine a good vacation and comfortable permanent living.

The owners of the real estate in the Odyssey complex and their guests can enjoy 2 pools as well as a pool bar. There is a SPA, shop, restaurant, and parking. Kids will have fun in their own pool and a bright playground.

The furnished apartment on the 4th floor has an area of 69 sq. m. The kitchen has wall cabinets, refrigerator, and a stove with an extractor. The dining room is equipped with a table and chairs. In the relaxation area, there is a sofa and a coffee table. The bedroom is ready for new owners to move in and to relax and have a comfortable night rest; there is a double bed and bedside tables. An additional advantage is a light spacious living room. In the bathroom, there is a convenient clean shower cabin.

The real estate in Odyssey is a property in Nessebar from owners which can be bought at an excellent price.

We can show you the apartment per a preliminary agreement.
