Our new sales offer includes a studio apartment in the closed-type community Helios in the resort town of Sveti Vlas, Bulgaria.

The location is unique and really wonderful. From one side of the closed living complex, there are mountains. From another side - there is a sea with great sandy beaches, the distance to which is just 150 m.

Incredibly clean air, gentle sea and soft golden sand reminds of a paradise created for vacations and holidays.

The complex has a very green territory. Adults and kids of any age can enjoy swimming in a pool. For children, there is a playground available. In case of emergency, one can apply to a medical center.

The living building of the closed community has a modern elevator which you can use if you buy a studio apartment on the second floor. The flat is as big as 39 sq. m and is well-furnished, so you can buy it and move in at once.

The offered property can be used for year-round living in St. Vlas. You also can rent it out - in summer, thousands of tourists look for apartments close to the sea.
