**A new offer for sale - a studio apartment with an area of 29 sq. m in the gated community Sunny View Central situated in the most famous resort of Bulgaria - Sunny Beach.**

The studio apartment is on the second floor of the living complex and overlooks the courtyard and the pool. All the furniture and housing appliances are available. The studio apartment is very good for living during the summer. It is an excellent option for rental as well.

In the complex, there is parking, a pool and security. A bright and convenient playground in Sunny View South is waiting for young visitors.

The apartcomplex Sunny View Central is 700 meters from the beaches of Cacao Beach and Bedroom and close to the historical town of Nessebar. The Action waterpark is 3.8 km away.

The aparthotel Sunny View Central residents can relax in a cozy lounge and in a beautiful garden. The reception is open 24 hours. If necessary, you can order home food delivery, airport transfer services and much more.

According to the feedback left at room booking sites, the part of the Sunny Beach resort, where Sunny View Central is located, is the most beloved by vacationers and is highly demanded. Therefore, real estate in Sunny Beach in this closed community is always a good investment. If needed, it can be easily sold.
