For sale: studio apartments in the Helios complex located on the second sea line.

Helios is an excellent complex in Sveti Vlas. It is situated only 400 m away from the sea and close to the downtown. The nearby beach is very cozy, nice and not overcrowded. Opposite to the living complex there is a café and a minimarket. A little further a large supermarket Mercury is available. Developer's prices of studios in this complex start from Euro 27000. They depend on the view from the windows and the property area. Low maintenance fee. On our website you can find other proposals in the Helios complex and other apartments in St. Vlas.
