We are happy to offer you a two-bedroom apartment in a cozy complex near the sea in St. Vlas -Watermill. The living complex Watermill has Bulgarian style architecture. The territory is beautifully landscaped. There is a neat lawn, flourishing bushes and an old watermill. Thanks to a small playground and a swimming pool, the complex is a comfortable place for rest and leisure. The beach is only 300 m away, and you can spend your free time on the sea enjoying sunbathes, swimming or walking around the marine.

You have an opportunity to taste Bulgarian cuisine offered by the restaurant located in the territory of the complex. Enjoy a tasty breakfast or an interesting, relaxing dinner. Do not forget to order a glass of local wine which is as good as European wines.

The apartment is located on the ground floor. The windows look at the patio which creates a nice shadow in hot summer days. A large living room with a comfortable sofa and a TV set is combined with a kitchen. In the dining area there is a table suitable for 6 persons. The kitchen has a stove with an oven and an exhaust system, a washing machine. Two bedrooms make the apartment comfortable for a family with children or inviting friends. The apartment is good for rental.
