The residential complex is situated in a direct proximity to the sea near the whole infrastructure required for living: bus stops, pharmacies, clinics, supermarkets, markets, food shops, a restaurant, cafes, and a water park.

The living complex is located 300 m away from the sea and offers the apartment owners following services: heated outside swimming pools with fresh and salty waters, Jacuzzi with hydro massage, areas for relaxation and sunbathing, a restaurant, lobby-bar, SPA-center, barbeque area, playground for children and a kids' playroom, 24-hour security, parking, landscaped well-groomed territory for recreation and walking.

The 97 sq. m apartment is on the second floor of the living building and consists of an entrance vestibule, two bathrooms with shower cabins, studio-type living room with areas for kitchen and relaxation, and two balconies.

The apartment is fully equipped with everything required for comfortable living: a kitchenette with a built-in four-burner hob and an oven, dining table with chairs, soft corner sofa, cupboard, chest of drawers, TV-sets, places for storing clothes and things, microwave, washing machine, double bed, wardrobe, bedside tables, and a bunk bed. There is an air conditioner in every room. The bathroom is equipped with a shower cabin and a boiler. Floor covering: laminate and ceramic tiles.

The apartment suits for year-round living and rental.
