We are happy to offer for sale a large light two-bedroom apartment in a calm district of the town of Bansko.

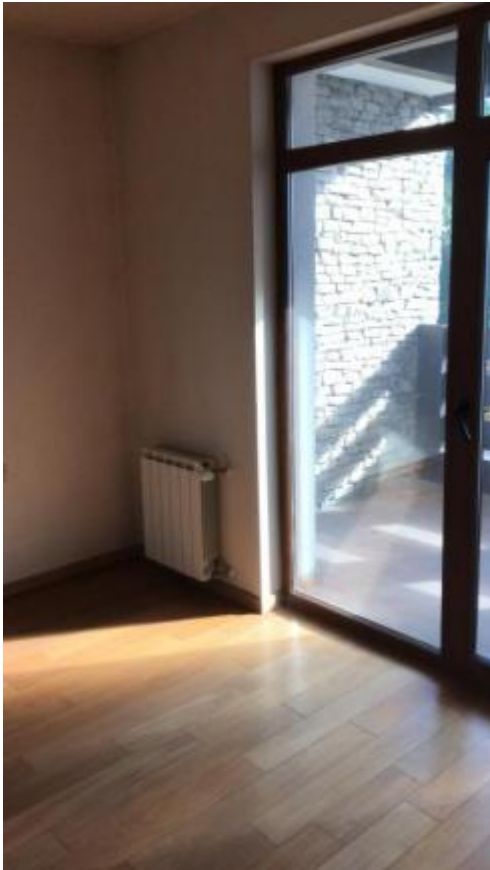

The residential building is located on a **quiet street close to the ski lift and to the downtown** where shops and restaurants work year-round.

The residents are free to use underground parking, SPA-center, and a pool of the complex. A concierge will welcome you in the hall of the secured ground floor. Their services are available 24 hours.

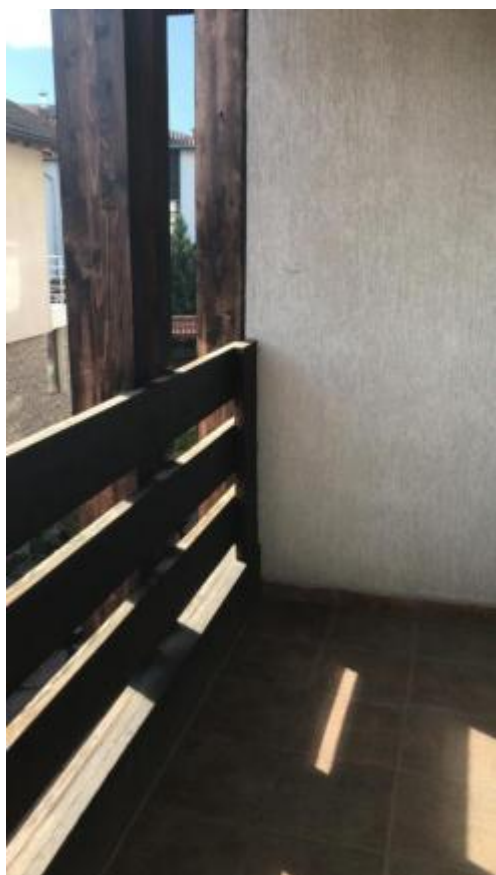

The apartment with a balcony facing east is located on the second floor. In the flat there are two light bedrooms, two bathrooms, and a living room combined with dining and kitchen areas. The rooms are not furnished. This gives you a chance to create your dream interior.

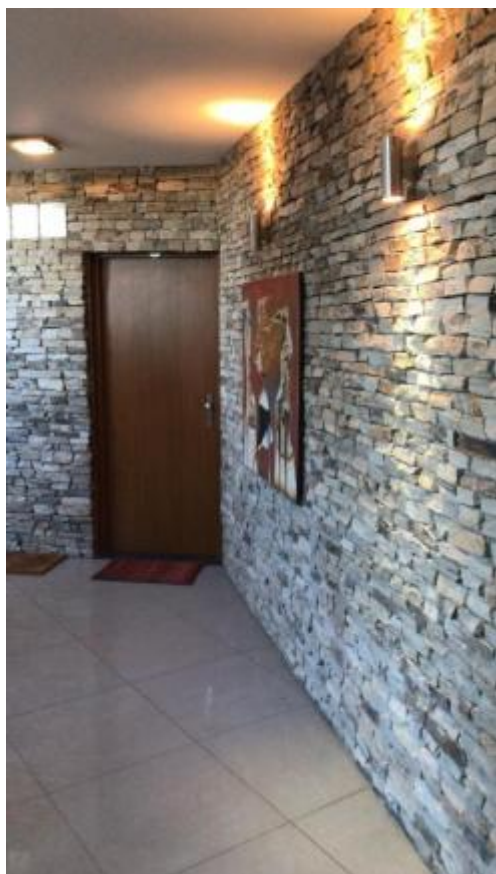

The two-bedroom apartment in Bansko will perfectly suit permanent living and seasonal vacations. Property near the ski lift with a SPA-center and a swimming pool is an excellent investment. It can be rented to tourists and active sports enthusiasts any time of the year.
