We are happy to offer you an apartment in the resort town of Sveti Vlas. It is located in the living complex Admiral just 300 m from the sea!

The complex has a pool and parking.

St. Vlas is a town with a very good climate. The air here is very clean, and this is thanks to the sea and the mountains that encircle it. There are also no factories around.

The two-bedroom flat is on the first floor. It has all the necessary furniture as well as housing appliances.

The apartment for sale in St. Vlas is designed in one style. It is elegant and attractive. A nice sea view is unveiled from the balcony.

The apartment is perfect for permanent living as well as for rental.
