Текст объявления:

Paradise Dreams is one of the most beautiful living complexes of Drieamville. Being built in 2008, it is located only 100 m away from the coast and the wonderful sandy beach. The complex stands 200 away from other Dreamville complexes towards the center of St. Vlas.

Paradise Dreams consists of two living buildings built taken into account a natural landscape. There are only 123 apartments. The property owners and their guests can use two swimming pools for adults and one pool for children, all located on different levels. Green territory and a comfortable leisure area create perfect conditions for relaxation.

It is recommended to buy property in the sea living complex for families with children, pensioners and all those people who prefer living in a place with a well-developed infrastructure. Within the closed area of the complex, there are two bars, a restaurant, a food shop, and souvenir shops. A playground is good fun for kids. Reception and security provide 24-hour safety. A parking lot is provided for car owners.

We would like to offer two-bedroom apartments with pool views at profitable prices. There are only two apartments left at Euro 63200 and 64700.

For comfortable living, there is a boiler, air conditioner, and modern windows in each apartment. Internet and TV connections are available.
