The complex is located between St. Vlas and the Elenite resort. The distance to the sea with a secluded beach is 200 m. You can get there following a path and next to the beach find a small comfortable staircase.

Close to the secured territory of the complex there is a bus stop from where you can easily get to the town of St. Vlas and Sunny Beach. In summer, life in these resorts is very active. Many discos, bars, restaurants are open; parties and concerts are frequently organized. In winter, these places are more quiet, but still, there are shops, supermarkets, restaurants, and cafes working year-round. This is very convenient for people who decided to buy property in Sea Fort for permanent living.

The bus also runs to Nessebar. Museums, banks, restaurants, and supermarkets with a unique set of goods work here all year round.
Sea Fort residential buildings are located on a hill. Thanks to the landscape, each apartment has a sea view. The layout of the buildings is convenient - near each of them, there is a comfortable recreation area and a pool. Some swimming pools have Jacuzzi and artificial waves.

On the territory, there is parking, outdoor fitness equipment, a gym, SPA-center, massage room, and a tennis field. In the shops, you can buy food, basic necessities, beach accessories, and toys.
While parents, grandmothers and grandfathers are enjoying the rest, children spend time on playgrounds and in shady patios. The complex offers safety and peacefulness that allows you not to be afraid for your kids. They will be safe and will enjoy real fun.

For those who want to spend time with their families, there are three restaurants with national and European cuisine. Eco Paths laid in the forest next to the complex is a great opportunity for a joint walk. Traveling away from the complex to discover Bulgaria and its rich culture and history is possible with a travel agency and a car rental service.

Excellent conditions created for a convenient and careless life turn Sea Fort into an ideal complex for retirees, youth, families with children. You can buy an apartment for vacation and rental.
