An apartment in the center Bansko is offered for sale.

The cozy town is situated at the foot of the Pirin mountains and attracts sports enthusiasts from all over the world. In winter, it becomes the center of downhill skiing. The tourists can use ski lifts and slopes for amateurs and professionals. In summer, people come here for hiking, traveling, getting familiar with Bulgarian culture and history.

The town is not only a good vacation destination. Property in Bansko suits permanent living. Shops, banks, restaurants, and sports centers work here year-round. Children go to a kindergarten and a school.

We are glad to offer a two-bedroom apartment in a nice living complex located just 200 m away from the ski lift. Nearby there are shops, cafes, bars. The cozy complex has a closed neat territory and a barbecue area.

You can purchase an apartment on the second floor with windows and a balcony facing east. The comfortable layout of the two-bedroom flat includes two separate bedrooms with nice and stylish

furniture. There is also a living room with a fully equipped kitchen area, and two bathrooms.

The apartment is good for the permanent living of a big family.
