Текст объявления:

We would like to offer for sale a two-storey house in the village of Kosharitsa located on hills with panoramic views of the mountains and the sea.

Kosharitsa is considered to be a comfortable place for holidays and permanent living with a family. The village is located several kilometers from the Sunny Beach resort and 34 km from the airport of Burgas.

The cottage is located in the living complex Montemar Villas not far from the Black Sea coast in a beautiful and quiet area at the foot of Balkan mountains.

In the gated and secured territory of the living complex, there is a swimming pool, fitness-room, playground, shop, café, areas for relaxation and barbeque, and parking.

The 138 sq. m cottage consists of separate kitchen and dining areas, a large living room, two bedrooms, a separate kitchen on the second floor, bathroom, two balconies, staircase on the second floor, and an open terrace on the first floor.

The house is completely equipped with everything that is required for comfortable living: two kitchen units with built-in hobs and ovens, a refrigerator, washing machine, dining table with chairs, beds, upholstered furniture, and closets for storing clothes and belongings. An air conditioner is installed in every room.

The cottage suits for permanent living and investment
