Many families and pensioners choose property in Ravda for permanent living. It is here, where right by the sea you will find a kindergarten and a school for your kids, shops and supermarkets, sports facilities and different hobby clubs. Ravda is a good place for young people as well. In the downtown of the resort you can enjoy disco and good food in restaurants and cafes. Regular bus services will allow you to travel around, to go to Burgas or nearby resorts.

Our current offer includes a nice cottage in a gated community. It is a possibility to bring a dream for a sea house to reality. First of all, the sandy beach with an incredible summer infrastructure is only 200 m away. Apart from it, there are shops, restaurants and bars around. Pharmacies and supermarkets are at a walking distance.

The gated community has its own well-secured and well-landscaped territory. It is here, where you can relax in a special relaxation area or swim in a swimming pool. Kids can have fun on green lanes while adults enjoy talks and good food on tiny patios.

The 140 sq. m two-bedroom house itself has two floors and a 250 sq. m courtyard.

On the ground floor there is a hall, a dressing room, a bathroom, and a spacious living room with a fireplace. An access to the terrace and the pool is available from the kitchen and living. The kitchen is ready for you to make a good dinner there and to offer it to your beloved ones. A dining kit is available.

On the second floor you will find two bedrooms, a small hall, and a bathroom. No need to worry about furniture – all the rooms are furnished.

The house is in excellent condition, it is well-finished and furnished.
