We are happy to offer to buy two studio apartments in a living building close to the bus station.

[Sunny Beach](#) is a very popular tourist destination where you can spend unforgettable vacations. Clean sandy beaches are several kilometers long and are perfect for sea vacations and walks. Tourists from many countries come here to enjoy resort infrastructure, restaurants, discos, parties and water entertainments.

For the last several years, the resort has been actively developed. Developers build mainly living complexes with closed territories, restaurants, entertainment facilities, pools, and maintenance fees. You can buy an apartment for permanent living, summer vacation or rental there.

However, several usual living buildings without a service charge are available in the resort as well. We would be happy to make you a unique offer for apartments in such a building.

The residential building has been built 400 m away from the resort center near the bus station. The beach is 10 minutes' walk away.

Cozy studios in living buildings are an excellent choice for the year-round living of family couples, pensioners, or young people. Property is suitable for a rest and vacations.

Thanks to the location, proximity to the sea, and no yearly payments, apartments are an excellent investment. They always can be easily sold and rented.
